The Tau Gamma Omega Chapter of Alpha Kappa Alpha Sorority is excited to announce the acceptance of *ALL* students grades 9-12 to ASCEND, our signature youth enrichment program.

ASCEND stands for Achievement, Self-Awareness, Communication, Engagement, Networking, and Development. Students, both male and female, in the ASCEND program will have an opportunity to receive academic enrichment and life skills to support their journey to college or vocational employment.

Participants and mentors will meet twice monthly under different themes such as *Think HBCU<sup>SM</sup>* which focuses on the different experiences offered by Historically Black Colleges and Universities; as well as cultural activities to spark thought provoking conversations about current events, self-awareness, and personal development.

Other themes include interview skills, resume building, arts outings, community service projects, and Model United Nations modules!

Lunch will be served at each meeting!
