

The Mission of Proviso Township High Schools is to provide a quality comprehensive education that encourages academic excellence and learning for life.

The success of this mission is dependent on the commitment of every member of the Proviso community to the following BELIEFS:

Proviso Township High Schools students are expected to be

- Independent learners
- Effective communicators
- Adaptable problem solvers
- Responsible learners
- Respectable to colleagues and staff,
and
- Productive workers

We can demonstrate these beliefs and accomplish the mission through the following BEHAVIORS:

- Communicate with students about school matters, such as homework, grades, co-curricular activities, and friendships.
- Participate in school activities, both academic and co-curricular.
- Become familiar with and support district policies and procedures.
- Provide leadership, support, and guidance for students in and out of the classroom and be models for student academic behavior, social behavior, and physical appearance.
- Honor achievement in whatever setting or context it may appear.
- Assist in maintaining a safe, healthy, and attractive school environment.
- Work in harmony with all other segments of the Proviso community.
- Take pride in contributing to students' success.
- Understand that all people have a right to determine and pursue their personal goals for educational achievement and to experience in life fair play, comfort, integrity, honor, and success.
- Support the educational process through the investment of ideas, time, and other resources that can serve as a catalyst for change that will enhance the schools' effectiveness.
