

PROVISO SUMMER FLIGHT 2021

FREE STEM PROGRAM

STEM camp is designed for students who want to excel academically and socially. The program will ignite your interests while challenging you in a fun, safe environment with a mix of teambuilding, hands-on STEM projects in cybersecurity, and flying drones. Begin your next year of high school with the skills to excel and achieve your goals. All are welcome!

To register, click the link for your school and select “enrichment” when prompted.
