## Proviso East High School

ALEXIS GOMEZ

"I am Proviso Proud because I am surrounded by faculty and staff who push me to strive for proficiency and Nothing But the Best, "Nihil Nisi Optimum," I look forward to graduating next year and being able to say I am a product of Proviso. Being here is what has shaped me into the scholar and person I am today."

## Proviso West High School

KIANA HACKETT

"I am Proviso Proud of the opportunity to be part of a school community that has made a collective impact in making Proviso "Nothing But the Best." These past four years have given not only me, but also my peers, a chance to develop into young adults by learning the art of leadership, responsibility and cooperation that will help all students of Proviso to strive for success!"

## Proviso Math & Science Academy

JUSTIN CHALICHEMALA

"I am Proviso Proud because I am able to take part in PMSA's Monty Python Robotics Team, which has enabled me to get a first hand look into the STEM field. Furthermore, my experience with Proviso has allowed me to become more knowledgeable in both school and the rest of the world. My experience at Proviso has also given me the ability to make friends and meet people I can look up to for inspiration."
