ARTICLE I: RECOGNITION AND SCOPE

1.2. Savings Clause

If any article, section, or provision of this Agreement is declared illegal or unenforceable by a court of competent jurisdiction, said article, section or provision shall be automatically deleted from this Agreement to the extent that it violates the law. The remaining articles, sections, and provisions shall remain in full force and effect for the duration of the Agreement if not affected by the deleted article, section or provision.

1.3. Definition of Terms

1.3.1. Full-Time Employee

Any employee who is regularly employed on a ten (10) or twelve (12) month basis and who works thirty-seven and one-half (37.5) or more hours per week, excluding lunch, shall be deemed a "full-time" employee.

1.3.2. Part-Time Employee

Any employee who is regularly employed on a ten (10) or twelve (12) month basis and who works less than thirty-seven and one-half (37.5) hours per week shall be deemed a "part-time" employee.

1.3.3. Ten-Month Employee

Ten-month employees are employed for less than 12 months.

1.3.4. Twelve-Month Employee

Twelve-Month Employees are employed for 12 months.

1.4. Scope of Negotiations

The Board agrees to negotiate with the Union on matters of wages, hours, fringe benefits, and the terms and conditions of employment as required by law. This duty does not compel either party to agree to a proposal or concession. The parties further agree that there shall be no change in the subjects or matters covered by this agreement nor shall there be any change in conditions of employment, hours, wages or fringe benefits without prior negotiation, if requested.

1.5. Changes in Policy

If the Board or Administration wishes to change a policy which would affect wages, fringe benefits or working conditions not covered by this Agreement and which are mandatory subjects of bargaining but not matters of inherent managerial policy under the Illinois Educational Labor Relations Act

("Act"), the Board shall notify the Union in writing of such proposed changes. The Union may, within five (5) days of receipt of said notice, request a meeting to negotiate the change.

The change or modification in working conditions shall not be instituted until good faith negotiations have been conducted unless the Union has agreed to such change or modification or has failed to request negotiations within five (5) days of receiving notice. The Board may institute a change or modification in working conditions if the Union and Board have not reached an agreement after good-faith negotiations have been conducted. The provisions of this section shall not apply in an emergency or an extra-ordinary situation wherein the Board must take immediate action and time or circumstances make bargaining impracticable.

1.6. Management Rights

The Board retains and reserves unto itself the powers, authority, duties and responsibilities vested in the Board by law provided that it shall exercise such powers, authority, duties and responsibilities in conformity with the provisions of this Agreement. The Board shall have and retain the full and exclusive right to hire, fire, assign, promote, demote, layoff, direct, discipline, transfer, suspend, evaluate and determine the qualifications of its employees. The Board has the complete and sole right to determine the operations and the extent of same of the District, to make work rules, determine the methods, standards and extent of work, to determine the content of jobs and to select and appoint supervisory personnel provided it does not abridge this Agreement by doing so. Nothing in this management rights clause diminishes the Board's duty, if any, under the Illinois Educational Labor Relations Act (the "Act") to negotiate midterm changes in wages, hours and working conditions not specifically covered by this Agreement; provided, however, enforcement of any such duty by the Union shall be solely through the Illinois Educational Labor Relations Board and not through grievance procedure, and nothing in this Agreement diminishes the Board's authority to implement changes in working conditions not specifically covered by this Agreement after satisfaction of the Board's duty, if any, to negotiate such changes.

Such committees may be established according to the following guidelines:

1. The committee will consist of equal numbers of management and Union representatives.

2.15.3. The "other duties" provision of the job descriptions shall be defined as meaning duties that are related to functions listed in the job description.

ARTICLE III: WORKING CONDITIONS

3.1. Seniority

3.1.1. The Board and Union agree that seniority, as defined in this Agreement, shall be a consideration in all promotions, transfers, layoffs, re-employments and overtime.

3.1.2. a. Seniority shall be defined as the length of service with the Board within a position recognized within the bargaining unit. Only actual time worked shall be credited to employees for seniority purposes. Employees shall not accrue credit for seniority while on leaves of absence other than FMLA leave or while laid off, but shall not lose accrued seniority while on either. Nor shall employees lose accrued seniority for a voluntary break in service of less than six (6) months.

b. Each employee shall receive a seniority date upon employment which shall be the first day of actual work. If two or more employees have the same seniority date, the date of employees' applications shall control who has greater seniority. If two or more employees still have the same seniority date and application date, the Superintendent shall break the tie based on work performance.

c. An employee who is assigned to a position in a classification as listed in Section 3.2.2. different from a previous position shall retain his/her seniority in each position in which he/she has worked.

d. There will be one seniority list combining all positions for each job classification described in Section 3.2.2. The seniority list shall be used to determine the order of layoffs. The seniority list shall show the length of continuing service of each employee in each position held while employed in the District. The employee with the shortest length of continuing service within the respective category of Position shall suffer the layoffs in that order.

e. Employees must hold a bargaining unit position to be able to bump other employees who hold a bargaining unit position. Employees in exempt positions cannot bump into a bargaining unit position. Employees in a bargaining unit position cannot bump into an exempt position.

f. In the event any employee position is eliminated, the person in that position can bump into any position for which he/she is qualified in the same classification, held by an employee with less seniority.

g. All employees will have an equal opportunity to interview for any open positions for which the employee is qualified. If requested, by the employee, the appropriate administrator will meet and discuss the reasons the employee was not chosen for the open position.

3.1.3. Seniority shall be lost upon any of the following:

a. Resignation (unless the employee is rehired within six (6) months)

b. Discharge for cause

c. Retirement

d. Failure of the employee to return to work at the expiration date of an approved leave of absence.

- e. Failure to respond to a notice of recall after a layoff within five (5) days of receiving a notice delivered to the employee by certified or registered mail at the last address filed by the employee with the Board office.

3.1.4. A seniority list compiled by category and date of hire shall be prepared annually by the Board and delivered to the Union President no later than February 1 of each school year. Any employee who disagrees with placement on the seniority list shall notify the Board, in writing, within thirty (30) days of the delivery date. The seniority list shall also be posted in each building.

3.2. Reduction-In-Force and Recall

If a Reduction-in-force (hereafter referred to as "RIF") is being considered by the Board, the Union shall be notified in advance. Upon request of the Union, the Board shall meet and discuss the conditions giving rise to the consideration of a RIF and alternative solutions to the problem(s). If a RIF is unavoidable the Board and Union will determine how to implement the language of this Agreement.

3.2.1. In the event the Board determines that it is in the best interest of the District to decrease the number of employees or to discontinue some type of service, employees will be retained based upon seniority within the appropriate classification.

Where seniority is equal among employees, the Superintendent shall pick an employee based on job performance and job skills.

3.2.2. The previously discussed criteria shall be applied to employees in the classifications to determine which employee within the classification will be laid off, if necessary:

Clerks: This includes the Machines/Stock Clerk and other Clerk Positions

An employee shall be notified by certified mail to the employee's last home address maintained within the records of the District of a vacancy for which the employee is eligible to fill. The Union President shall be notified of the vacancy offer by e-mail transmission on the same date. If the employee does not respond within ten business days (10) days of the date of mailing that the

employee will accept the vacant position that employee will be deemed to have waived his or her right to accept the position and next eligible employee for a recalled position will be offered the position.

Employees who accept a temporary position shall retain their recall rights. Any employee recalled from a lay off shall not be deemed to have suffered a break in employment but shall not accrue any benefits, including seniority, for the lay off period.

3.3. No Discrimination

Employees shall have the right to join or not to join the Union. Neither the Board nor the Union shall discriminate against any employee on the basis of sex, race, color, creed, national origin, marital status, parental status, age, religion, physical or mental disability, actual or perceived sexual preference or Union activity.

3.4. Vacancies and Transfers

3.4.1.a. All vacancies which are to be filled on a permanent basis, newly created positions or other positions covered by this Agreement, except for the part-time Para-Professional positions and any vacant position which is filled by an involuntary transfer as discussed in Section 3.4.2. shall be emailed to all current bargaining unit members when it is posted online for five (5) working days during which time the Board shall not fill the position except on a temporary basis. Notice for twelve month administrative assistants which become vacant during the summer vacation period shall be posted online for ten (10) working days and twelve (12) month administrative assistant positions which become vacant during Winter or Spring break shall be posted online for five (5) working days after the conclusion of each break.

The Board shall give all applications submitted by current employees within the five-day posting period first consideration, provided the employee meets the qualifications for the position. However, an employee shall not receive consideration until he/she has completed his/her probation period or unless no other qualified employee applies for the vacancy.

3.4.1.b. When an employee, at his/her own request, accepts a transfer to a position in a lower salary range, he/she shall be paid at that lower rate of pay which he/she would have arrived at had he/she been serving in the lower instead of in the higher position.

3.4.2. Involuntary Transfer

No employee shall be involuntarily transferred to a position with a lower rate of pay on a permanent or indefinite basis unless the employee is first notified in writing of the transfer and afforded an opportunity to discuss the reasons for the transfer with the Superintendent or designee.

3.4.2.a. The Board shall have the authority to assign and transfer employees in accordance with District needs and policy provided such assignments and transfers do not violate the terms of this Agreement.

3.4.2.b. Involuntary transfers shall be governed by the following:

- i. Where the needs of the District require an involuntary transfer, when possible:
 - (1) volunteers who are qualified will be sought before involuntary transfers are made by the District,
 - (2) in choosing among employees

in a job classification who meet the specific requirements of the position to which there will be an involuntary transfer, (3) the District shall select the least senior qualified employee.

- ii. If all employees in a job classification will be transferred and there is a choice of locations, preferences shall be granted on the basis of qualifications and seniority so long as the District needs are met by the selection.
- iii. A minimum of two (2) weeks' notice shall be given to the employee selected for transfer unless a shorter period of time is agreed to by the employee after consultation with the Union or the position to which the employee is being transferred requires immediate occupancy.
- iv. An employee who has been involuntarily transferred shall have the right to return to the work location and or classification from which he/she was transferred if the employer is seeking to permanently fill a vacancy in the same classification the employee occupied, within two (2) years of the involuntary transfer. When such a vacancy occurs, the Employee must notify the Employer within five (5) working days of the posting of the vacancy. This Section shall not apply if a work unit is moved from one location to another or in emergency situations provided that a representative of the Employer shall notify the Union of the anticipated move as soon as possible.
- v. Nothing in this Article shall prevent the Employer from reassigning an employee from one classification to another classification, on either a temporary or a permanent basis, provided that the Employer shall provide the employee with two (2) weeks written notice of a permanent reassignment (except in cases of emergency) and, upon the employee's request, meet to discuss the reassignment.

3.5. Summer, Evening and Weekend School Employment

3.5.1. All summer, evening and weekend employment opportunities shall be posted in each school building for five (5) days prior to filling the position(s) unless circumstances make it impractical to do so. Employees shall be given the opportunity to submit their names to be considered for summer, evening and weekend employment opportunities. In the event that the number of employees applying for a position exceeds the number of openings, the employer will attempt to offer job opportunities based on qualifications, experience and performance. Seniority shall be the determining factor if all requirements are equal. Notwithstanding any of the following, if the number of security guards applying for summer work exceeds the number of openings, said openings will be filled on a rotating basis for all interested staff at each building. The final decision for determining such rests with the Board.

3.5.2. Proviso employees shall be given preference over nonemployees in hiring for summer, evening and weekend employment.

3.5.3. Twelve (12) month security employees shall be hired from the current ten (10) month security staff that apply for open positions so long as the individual has met performance expectations, is qualified for the position and Board Policies and District needs are met. Seniority shall be the determining factor if all requirements are equal. If additional security employees are needed during the summer, the above requirements shall control such positions except that individuals working in the assigned building shall be given preference.

3.6. Bargaining Unit Work

3.6.1. The bargaining unit shall consist of all employees as defined in Article 1.1. in any of the schools or facilities of the Board, performing any regularly assigned or related functions except as may be specifically excluded under the terms of the Agreement.

3.6.2. Supervisors shall not perform bargaining unit work on a regular basis. The purpose of this paragraph is to prevent the elimination of bargaining unit positions.

3.6.3. The Board shall not negotiate individually with any employee covered by this Agreement as to wages, hours, terms and conditions of employment.

3.6.4. Bargaining unit members shall not be assigned to perform work on a regular basis which is not covered by this Agreement.

3.6.5. The Board of Education shall not contract out any bargaining unit work during the lifetime of this contract, unless they have negotiated with the Union over the issue as required by the laws of the State of Illinois.

3.6.6. Secretaries shall not be required to substitute for absent nurses in non-clerical functions.

3.6.7. Temporary employees, should they need to be hired, must possess qualifications necessary to perform the duties of the employee they are replacing. If a substitute is hired for an absent nurse, reasonable efforts shall be made for that substitute employee to be a licensed nurse.

3.7. Hours of Work

3.7.1. All positions covered by this Agreement shall have normal work days, hours and year designated at the start of each school year. All positions which have similar duties do not have to be designated the same work days, hours or year.

The designated work days, hours or year may be changed temporarily or permanently during the work year in response to unforeseen or unplanned conditions.

3.7.2. The normal work week shall not exceed forty (40) hours. The normal work day shall consist of a maximum of eight (8) hours, excluding an unpaid half-hour lunch for those employees eligible for one.

3.7.3. Employees who work six (6) hours or more a day shall receive an unpaid half-hour lunch period.

3.7.4. All employees, except for security officers, shall have the option of combining some or all of their breaks with their lunch period to provide for a forty-five minute (45) or one (1) hour lunch.

3.7.4.5 The normal work year shall be 12 months unless otherwise specified in this Agreement. Those employees who work less than twelve months a year shall receive benefits as described elsewhere in this Agreement. Ten (10) month employees' will be scheduled to work one hundred eighty five (185) days per school year. Ten (10) month secretaries will be scheduled to work one hundred ninety six (196) days per school year. In the event that ten (10) month employees work beyond the scheduled one hundred eighty five (185) days or the scheduled one hundred ninety six (196) days they will be compensated at their regular hourly rate.

3.7.6 All employees shall be paid based upon their start time and finish time. All employees must record their start time via the approved District method by his/her start time and proceed immediately

to their workstation. Employees must record their end time within a reasonable time after the completion of his/her shift, or at the time which the employee has completed his/her duties if overtime was assigned. Any overtime must be assigned by the appropriate supervisor and documented to the employee prior to being performed in order to be compensable. District may utilize other methods to accomplish staff clock-in and clock-out, such as Frontline, key swabs, or other electronic check-in systems, as deemed necessary.

3.7.7 The previously mentioned definitions for the normal work week, normal work day, and normal work hours do not preclude the Board from assigning overtime work as provided in Article III, Section 11 of this Agreement.

3.8. Training

3.8.1. If a position requires a new skill or technological knowledge that employees do not possess, employees may be offered opportunities to gain the necessary skills or knowledge through on the job training or through some form of instruction at the Board's expense. Employees who decline the training, will forfeit that position and will be placed on unpaid leave and may be offered the next open position for which they are qualified and will be compensated at the regular rates for that position. The Board will send notice of open positions to employees on unpaid leave at their last addresses given to the Office of Human Resources.

3.8.2. Training for Bargaining Unit Employees

Employees shall attend training programs provided by the Board. The training programs employees attend will be based on their previous District training and the content of the training session. There may be advanced training programs that may not be made available to employees who have not attended the initial training session. The Union and the administration shall meet as necessary and at least one (1) time per year for the purpose of discussing the training needs for employees in the bargaining unit. The final decision regarding the type and scheduling of training programs shall remain within the sole discretion of the Board of Education in conformity with this Agreement.

Training programs will be provided at District schools or other sites located within the District. Training programs may be provided during the school year and up to two weeks before the first student attendance day of the school year. Training programs may occur during regular school hours on student non-attendance days, after school on student attendance days, on Saturdays and during school breaks. Training programs will not occur after school on a student attendance day and on a Saturday in the same week.

Employees shall be paid their regular hourly rate for the time in which they are in attendance at a training session when the training occurs on non-work hours or during the summer. Time spent attending a training session will be counted when determining if an employee has worked in excess of forty (40) hours in a week. All hours over forty (40) worked in a week will be paid at time and a half.

3.9. Discipline

3.9.1. Employees who are not in probationary status shall be subject to suspension or discharge for just cause for the term of their employment. Such employees shall be given a statement of the charges against them in writing. Such employees may, along with a Union representative, discuss the charges with the Superintendent or designee prior to when a suspension, either with or without pay, or discharge may take effect. A request to discuss the charges with the Superintendent must be submitted prior to 12:00 P.M. of the working day prior to the effective date of a suspension or discharge. However, it is recognized that some employee behavior may be particularly disruptive to the educational or work environment. The Board reserves the right to immediately suspend such

employees through its designee without pay pending the implementation of a hearing if requested sometime after the start of the suspension.

3.9.2. Employees may appeal the decision of the Superintendent or his or her designee to the Board of Education. Employees may be represented by a Union official at the appeal.

3.9.3. Probationary employees may be discharged without cause during the probationary period.

3.9.4. Any discipline given to employees shall be given within a reasonable time after the administration has concluded its investigation of the incident. Discipline which stems from a series of incidents shall be given within a reasonable time after the administration has concluded its investigation of the last incident. This provision shall not prevent the District from basing a more severe form of discipline on the combination of previous incidents for which the employee received lesser forms of discipline.

3.9.5. The Board/Administration shall begin a disciplinary investigation within twenty (20) workdays of becoming aware of the incident which could lead to disciplinary action. If the Board/Administration has been aware of an incident(s) which could have lead to disciplinary action and fails to begin an investigation for a period of time that exceeds twenty (20) days work days, no disciplinary action shall be processed against that employee for the incident.

3.10. Progressive Discipline Plan

The Board and Union agree to the concept of progressive discipline. The aforementioned notwithstanding, the parties agree that the commission of a serious offense may warrant skipping disciplinary steps and may include an immediate suspension or termination for just cause. In addition, the commission of multiple offenses may also warrant immediate suspension or termination.

3.10.1. Upon commission of an offense, the employee shall receive a verbal warning. The issuance of a verbal warning shall be notated in the employee's personnel file.

3.10.2. Upon commission of the same offense or multiple non-serious offenses (3) and after verbal warning, officials shall meet with the employee and document the offense(s) and meeting with a letter, if appropriate, in the employee's personnel file.

3.10.3. Upon commission of another non-serious offense or repetition of the same offense, officials shall meet with the employee, assess a one-day unpaid suspension, if appropriate, against the employee and document the offense, meeting and discipline in the employee's personnel file.

3.10.4. Upon commission of another non-serious offense or repetition of the same offense, officials shall meet with the employee and assess up to a three day unpaid suspension, if appropriate, against the employee and document the offense, meeting and discipline in the employee's personnel file.

3.10.5. Subsequent repetition of the same offense, the commission of another non-serious offense or the commission of a serious offense may result in termination or a lengthier suspension. The repetition of the same offense after a lengthy suspension may be cause for termination.

3.11. Personnel File

3.11.1. Only one official personnel file shall be maintained by the Board.

All employees shall have access to their personnel files twice a year upon written request except for confidential material excluded by state or federal law.

Employees may examine their personnel file after any material relative to their conduct, service or personality is placed in it regardless of whether they have already reviewed it twice within that year. Personnel files may be examined at mutually agreeable times.

3.11.2. Employees shall receive a copy of any material relative to their conduct, service, character or interpersonal skills which is placed in the personnel file. Employees shall have the right to submit a written statement explaining their position with respect to any document in their file to which they have access and, if submitted, their statement shall be attached to the disputed portion of the personnel record as provided by law.

3.11.3. Employees have the right to a copy of materials inserted into their file except for confidential materials excluded by state or federal law.

3.11.4. Upon request by the employee, letters of discipline or reprimand may be removed by the Superintendent after two (2) years if the specific offense has not been repeated or if three (3) other non-serious offenses have not been committed.

3.12. Overtime

3.12.1. Employees shall be paid overtime for all hours over forty (40) employees work in their position or related positions during their work week. Hours actually worked, paid holidays, paid leave days, except sick leave shall be counted as part of the forty (40) hours. All overtime hours must have the prior approval of the employee's supervisor.

3.12.2. Overtime shall be paid at one-and-one half (1-1/2) times the employee's regular hourly rate of pay or compensatory time may be offered based on one-and-one half (1-1/2) hours for each hour over forty (40) employees work in their position or a related position credited to the employees during the normal work week.

3.12.3. Employees who work overtime shall receive breaks and a lunch period as provided by law.

3.12.4. Compensatory leave time in lieu of overtime pay may be offered at the Board's discretion and may be accepted at the discretion of the employee. Compensatory leave time will accrue at 1 ½ hours of compensatory leave time for each hour of overtime worked. Employees may accumulate no more than forty (40) hours of compensatory time. Employees wishing to utilize compensatory time must submit a form at least three (3) days in advance of the beginning of the compensatory leave time except in cases of emergency. Said leave may not be used to extend any vacation leave requested or granted or be used immediately before or after holidays. The request to use compensatory leave time may be denied for reasonable operating reasons, including but not limited to work shortages, overtime or other pending work requiring attention. Compensatory leave time must be utilized in the fiscal year in which it is earned and if it is unused at the end of the fiscal year, it will be paid out at the regular rate of pay for the employee.

3.12.5. All regular overtime shall be paid during the regular pay period.

3.12.6. The Board and the Union recognize that the needs of the District will, from time to time, require overtime work by Support Staff employees. The Board recognizes that notice to an employee involved in prospective overtime employment must be made as early and as reasonably as possible so as not to unfairly interfere with the private lives of the employees.

Therefore, the Board agrees that overtime shall become mandatory only after reasonable efforts have been made to obtain volunteers from qualified employees within the department and the employee classification. As nearly as possible, overtime shall be distributed on the basis of seniority rotation, where practical, and with a special view to factors of experience and special capabilities, where applicable.

Overtime shall be considered a condition of employment, and, therefore, continued willful refusal to accept mandatory overtime assignments may result in disciplinary action. The Board recognizes that overtime availability should be, as nearly as possible, equalized throughout the members of departments and job classifications. The Board agrees to attempt, as nearly as possible, to equalize overtime employment for all employees within the same work classifications in the same department.

Therefore, the Board agrees that available overtime employment shall be continually distributed and rotated, as equally as possible, among the bargaining unit employees within the same job classification in the same department. An employee's refusal of an overtime employment assignment shall be charged to the employee in determining overtime rotation and equalization.

When the needs of a department require the assignment of mandatory overtime and after all full-time department personnel have been offered the opportunity to work the overtime, then, in that event, mandatory overtime shall be required of employees on the basis of seniority, with the least senior employees being mandated to so work. The current overtime schedule and rotation, indicating overtime worked and overtime refused, shall be posted within the department.

3.13. Payment Schedule

3.13.1. All ten 10-month employees shall have the option to receive their annual salary in 22 or 26 equal payments. Salaries for twelve (12) month employees shall be paid at the annual rate in twenty-six (26) equal pay periods as established by the Board or in twenty-seven (27) equal pay periods, as necessary, when a subsequent fiscal year creates twenty-seven (27) pay periods. In the latter case, the administration shall meet and discuss, with the Union, the twenty-seven (27) pay periods prior to the adoption and implementation of the schedule. In the event that the District modifies the pay period structure to permit 24 pay periods instead of 26 pay periods, the 26 pay period option shall no longer be available.

3.13.2. All employees who work a special event shall be paid for it on the pay day for the pay period in which the event occurred.

3.13.3. Stipends for extra-duty assignments or activities shall be paid to employees in a separate check and/or direct deposit.

3.14. Probation

3.14.1. New employees shall serve a probationary period for one hundred eighty (180) calendar days after they are hired.

However, each employee must report for work on at least ninety (90) days during this probationary period. In the event the employee does not work at least ninety (90) days during the probationary period, that period shall be automatically extended until the employee has worked ninety (90) days.

The Board shall have the authority to discharge or discipline probationary employees without cause during that time period. Probationary employees shall receive paid holidays as provided by this Agreement and may use accumulated sick days during their probationary period and probationary employees may not use any vacation days available to them under this Agreement during their probationary period.

Employees whose employment is terminated while they are on in probationary status shall have no right to grieve their dismissal under the grievance procedure provided in this Agreement.

3.15. Evaluations

3.15.1. Each employee shall be evaluated annually by a non-bargaining unit immediate supervisor and/or administrator in accordance with the provisions of the District's Evaluation Form for Support Staff Personnel.

- 4 Pairs of Pants
- 4 Long Sleeve Shirts with Patch

The uniforms shall remain the property of the Security personnel as long as they remain employed by the District in the security function. Upon the resignation of security personnel from the District or upon the transfer of security personnel to a non-security position, the uniforms become the property of the District and shall be returned to the District.

Damaged or unusable uniforms shall be replaced on an as needed basis provided by the Board so that the employee always maintains the proper number of uniforms as set forth above.

Security personnel shall return to the District old uniforms upon receipt of the new replacements. Throughout the term of this contract, the Union may make recommendations for changes to the Security uniform. Final decisions on implementing such recommendations remain with the Board of Education.

3.17. Mandatory Evening Programs

When practicable, Support Staff positions in the evening school program will be filled in accordance with the following criteria:

- Volunteers from the current staff.
- New hires.
- Assignment from the current staff.
- In the event of a vacancy in the regular school day program, employees who have been involuntarily transferred to the evening school program will be given preference for the position.

- In the event that more than one applicant possesses all the required skills and qualifications, the position will be awarded to the qualified applicant possessing the greatest seniority.
- Bargaining Unit employees may be assigned no more than 30 work days, involuntarily, in the evening program in order to meet the needs of the District.

3.18. Job Descriptions

Upon being hired, promoted or transferred, each employee shall be given a copy of his/her job description. Work assignments shall be in accordance with that job description. If a portion of the job description requires "related duties as required....", the term "related duties" shall be interpreted to mean duties and responsibilities which could normally or reasonably be expected to be required consistent with the overall job description for the employee's job assignment. Prior to the start of the school year, the Union shall, upon request, meet with the District to review the job description(s) within the bargaining unit.

3.19. Employee Rights

3.19.1. Positions Eliminated

- a. When one or more position(s) is eliminated, the employee with the least seniority in the classification shall be subject to layoff or transfer regardless of work location. The employee(s) subject to layoff has/have the right to placement ("bump") into the position of the least senior person in a job classification in which the eliminated employee has previously accrued seniority provided that the employee meets the required qualifications of the job description OR a job classification in which the employee has been formally assigned.
- b. Sick leave not used in the year of service for which it was granted shall accumulate without limitation. A request for leave of absence must be submitted to the Superintendent thirty (30) days prior to the desired beginning date of the leave, except in case of an emergency. The Superintendent shall forward to the Board the application along with a recommendation.

A member of the Support Staff receiving such leave shall not be credited with employment experience for such period of leave. The Board in passing upon the application may consider the employee's performance, the reason(s) for which the employee is requesting the leave, the needs of the District,

the likelihood of the employee's returning, and all other factors. The Union recognizes that the decision of the Board is totally under its control and no such leaves need be granted during the period of this contract.

5.1. Definition

A grievance is defined as a written claim that there has been a violation, misinterpretation or misapplication of a specific provision of this Agreement.

5.2. Procedure

The parties agree that it is desirable for an employee and the employee's immediate supervisor to resolve problems informally. Accordingly, an attempt to resolve problems informally shall be made by the employee by discussing the problem with the supervisor within ten (10) working days of the event which is the basis of the grievance. An informal attempt to resolve a grievance must be made before a formal

grievance may be filed at Step One. If a grievance is not resolved informally, it must be processed in accordance with the following:

- a. The term "working days" shall mean those days on which the central administrative office is open for regular business.

- b. **Step One**

The grievant or Union shall file the grievance in writing with the grievant's immediately-involved supervisors within ten (10) working days of the date of the informal conference with the immediately-involved supervisors. The written grievance shall state the specific provisions of the Agreement which are alleged to have been violated, the alleged facts which form the grounds for the grievance and the desired remedy. The immediately-involved supervisors shall render a decision in writing within ten (10) working days of the receipt of the grievance.

- c. **Step Two**

If the grievance is not satisfactorily resolved at Step One, the grievant or Union may appeal to the Superintendent, in writing, within five (5) working days after the receipt of the immediately involved supervisor's reply at Step One. The written appeal shall include a copy of the immediately involved supervisor's decision. - d. **Step Three**

The grievance must be in writing, accompanied by a copy of the Superintendent's decision and be submitted to the Board within five (5) working days after receipt of the Superintendent's decision at Step Two. The Board shall conduct a hearing on the grievance within a reasonable time after receipt of the grievance, but in no event later than the next regularly-scheduled Board meeting. The Board shall render its decision, in writing, within ten (10) working days after the hearing.

- e. **Step Four**

If the grievance is not satisfactorily resolved at Step Three, the Union may submit the grievance to binding arbitration within thirty-five (35) working days after receipt of the Board's decision at Step Three, by requesting an arbitrator from the Federal Mediation and Conciliation Service and filing a copy of the request with the Superintendent within the thirty-five (35) working day period. The selection of the arbitrator and the arbitration proceeding shall be conducted according to the voluntary labor arbitration procedures of the Federal Mediation and Conciliation Service. The fees of the arbitrator and the Federal Mediation and Conciliation Service shall be divided equally between the Board and the Union. All other expenses shall be borne by the party incurring them. Neither of the parties may present nor assert any grounds or evidence before the arbitrator which were not previously disclosed to the other party. Either party shall be entitled to have a court reporter present and submit a transcript and post-hearing brief to the arbitrator. Unless the parties split equally the cost of the court reporter and the transcript, the party not requesting the court reporter shall not be entitled to a transcript.

- f. **Step Five**

The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of the Agreement and shall decide only the specific issues raised in the written

grievance and the replies thereto. The arbitrator's decision shall be based solely upon the specific terms of this Agreement and the relevant facts presented. The arbitrator shall have no authority to decide or make recommendations on other matters.

5.3. General

- a. Every employee covered by this Agreement shall have the right to present grievances in accordance with the grievance procedures with or without representation.
- b. An employee who participates in the grievance procedure shall not be subjected to discipline or reprisals because of such participation.

- e. The Board and the Administration will attempt to arrange mutually convenient times and places for meetings and hearings conducted under the grievance procedure; provided, however, the Board and the Administration shall not be required to conduct any grievance meeting or hearing on working time or to pay any employee for time spent in processing any grievance on non-working time.
- f. The time limits and procedures for grievance processing must be strictly followed. Failure of the grievant or the Union to meet any time limit shall bar submission or further processing of the grievance. Failure of the Board or the Administration to respond within the time limits specified shall permit the grievant or the Union to proceed to the next step. Time limits may be extended at any step by mutual agreement of the parties in writing. Unless otherwise provided, all time limits in this grievance procedure shall consist of working days on which the District administrative office is open for business.
- g. Upon mutual written agreement of the grievant and the Superintendent, a grievance may be brought directly to the Superintendent.
- h. Grievances may not be modified after submission at Step One without the written agreement of the parties or except as necessary for the Union to respond to facts or provisions of the Agreement raised by the Board or the Administration in a reply to the grievance. In the case of a grievance filed by the Union, the grievance shall also state the names of the employees for whom relief is sought.
