"Nothing But The Best"

April 7, 2020

Dear Proviso Township High Schools D209 Class of 2020,

To ensure the health and safety of our students, and in anticipation of an extended Stay at Home order from Governor Pritzker, we regret to inform you that all senior activities scheduled for the month of May have been cancelled, with the exception of graduation. We are investigating alternatives to in-person graduation should the current conditions persist through May 24th. More details regarding commencement will be available in early May.

We understand how important prom and other senior experiences are for you. So, we are open to suggestions for alternatives to prom that occur after the state and federal authorities advise that it is safe to gather in large groups. Please share your thoughts and suggestions [here via this survey](#). Your input matters. We will review all suggestions and develop the best, possible alternative to this milestone event. Any fees you have paid for the cancelled events will be returned to you.

This is a difficult time for all of us, and certainly not the end to senior year any of us had hoped. But it is necessary to ensure your health and safety. Please stay informed and follow the safety guidelines published by the [Illinois Department of Public Health](#) regarding COVID-19. Also, check our website and your emails regularly for up to date, school related information.

We are in this together. Let's be creative and put the most positive, safe, experiences we can put in place, under these circumstances.

Thank you for your understanding and cooperation.

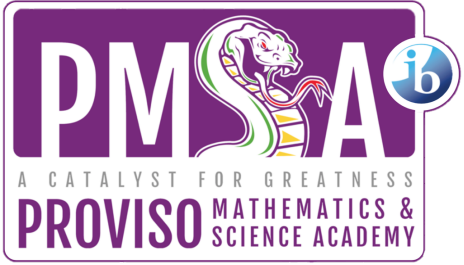

Thank you,

Nicole N. Howard, EdD
