Assignment

- You will need to check out or purchase and read **one** of the novels below. Further information will be provided by email for book checkout procedures.

- Before the first day of school, you must read the entire book and complete the Reading Journal Chart on the back of this page.

- You can complete this assignment on paper or on the computer. If you complete it on the computer, you may want to print it out as a backup so you don't lose your work. If you handwrite it on paper, you will need to type it within the first two weeks of school so you have a digital copy to turn in. You may also want to print it out as a backup.

- Read the rubric below for instructions on filling out the Reading Journal Chart.

Please note: During class and with directions, you will be submitting your assignment to Turnitin.com, which checks for plagiarism, so make sure your work is your <u>own</u> work with your <u>own</u> ideas. Do <u>not</u> work with anyone else. Do <u>not</u> copy from any online sources, summaries, or analyses. (Direct quotes from the text copied word for word for the first column of the Reading Journal will <u>not</u> be considered plagiarized.)

We hope you enjoy the book you choose, and we look forward to discussing your ideas… 😊
