So you Mysogenistic, xenophobic righteous liar, you perpetrated a coverup and had us Hire Henderson and the board of education from Holmes County informed you of malfeasance in Holmes county and you covered it all up and lied to the board, never shared the information because he is your fraternity BROTHER. You are a federal employee too, and you lied to all of us Rodney betrayed the community and have spent 9 months on your high horse. I am going to expose you for the heinous human you are, not that you do not do a good job doing that all on your own, SHAME ON YOU. Resign ! Every single article I showed you was true, and you knew it! You knew about the cases filed in Holmes county too. THEY told you in the interview process!!!!!!!!!!

209 should not have a scumbag of your caliber destroying and giving away our district !!!!!

You have now destroyed the lives of our administrators, business office, IT department, children , destabilized our whole special Ed community and demoralized the whole district.

You need to resign immediately, YOU have given free reign to harm our most vulnerable children. WHO ARE YOU. You are a nobody we helped become somebody.

I will expose you for the Xenophobic intimidator you are. You are not going to know what hit you. I have tolerated your vitriol for the last year and you were covering up for this man the whole time.

Resign!!!!

I had to tolerate your articles and yelling while in cancer surgeries, reconstruction biopsies, and seizure medication last semester and your yelling and vitriol, and everything I exposed to you was true!!!!

I know they spoke to you again yesterday too. How dare you speak to a woman the way you do, She is an older woman, who never wants to see done to more children what has been done in Mississippi, She has Ethics you don't even know what they mean, You have no concept of respecting a fellow human being or a fellow board member, and your mother will be so ashamed of you when she knows you have done this, and your colleagues will never look at you the same, the community is outraged at your despicable vitriol and that you have destroyed the

work we all did. YOU betrayed every person in Proviso Together that supported you, every community member that looked up to you because power went to your head. You are repulsive. You knew and said it was no big deal he worked his tail off, YOU lied to NED No more vitriol, no more cover up, no more lies and moral integrity speeches. YOU ARE A LIAR AND HAVE ACCUSED ME OF FABRICATING WHAT IS CALLED THE TRUTH!

Thank GOD I listened to my attorney!!! You are on tape with all your lies and I just had to sit and listen to you , your spin and let you rant.... Now its public record!

If you ever speak to me the way you did the last meeting again or every meeting for that matter, if you ever engage in your ethics talk again and do not reverse what you just did, I am going to expose every document that shows the malfeasance you knew about and hid from the board. Reverse every action item on the agenda from February 27th, everyone will know how you single handedly lied and covered up what this Superintendent has done and is about to do. You are complicit, you are the liar, you're the scum and in violation of your oath of office, and code of conduct. you betrayed us all. you need to...

RESIGN

your charade is done. FRAT brother,
Rescind all those action items, and resign.

OH and by the way this little brown woman's name is Claudia Medina, and Fred Hampton from PROVISO is the one who founded the rainbow coalition and black and brown communities do exist. It was born here... We are proud to be together, and we are together against you!! And I disagree with you because you LIED and have perpetrated one of the worst cover ups in the History of PROVISO not because of the color of your skin!!! Stop with your victimization, look at the caliber of your words and actions. People judge you by what you do and say!!!!!! READ about the Black Panthers coalition!!!!

FOR THE RECORD
