

# Proviso East High School Boys Cross Country

---

August 26, 2020

Faculty & Staff,

No experience is needed for students to join our boys' cross-country team this season. Run with us to improve your fitness level. We are meeting every day by the field house stairs at **4:00 pm Monday-Friday**.

Student-athletes can register for sports online by clicking the following link: (<https://provisoeast.8to18.com/>). The students can schedule a sports physical at the Proviso East Loyola Health Center clinic at Proviso East. Call to make an appointment (708-449-9522). They can also make appointments through Microsoft Teams, search for **Patricia Bailey**.

Marc Jones  
Boys Cross Country & Track Coach
