# P.R.I.D.E.

Got questions about a club?

Check in with the club sponsor...or just show up to a meeting!

Got an idea for a new club?

It's possible to start one...but it will take some organization and commitment on your part!

Find some friends who are interested in your club idea and make a plan. Then talk to a teacher about the possibility of being your club sponsor.

REMEMBER!

YOU shape your *own* high school experience!

Try something new!

Join something interesting!
